**FOR IMMEDIATE RELEASE**

## **PREDC Announces Executive Director Hiring**

**KINCARDINE**, Ontario (Thursday, March 27, 2014)

The Penetangore Regional Economic Development Corporation (PREDC) is pleased to announce the appointment of Mr. Ron Coristine as PREDC's Executive Director effective April 1, 2014.

Mr. Ron Coristine was the finalist in an impressive list of applicants from across Ontario and other parts of Canada. He currently operates Coristine and Associates Consulting and sits as a Councilor on the Municipality of Kincardine Council.

Mense "Jim" Prenger, President and Chair of PREDC stated:

"We at Penetangore Regional Economic Development Corporation look forward to filling our Executive Director position that was vacated in December 2013 with the passing of our inaugural E.D. Gerry Taylor. We are very fortunate to have had a good variety of applicants for this position from the east coast through Ontario to Alberta. A big thank you goes out to those applicants for their interest in our position. Through our hiring process we reviewed all applications and interviewed the four highest ranked candidates. An offer for the contract was made to Mr. Ron Coristine of Tiverton, Ontario and he has accepted our Executive Director role. We expect Mr. Coristine to become effective in his position immediately given his knowledge of and background in Kincardine and surrounding area. We welcome Ron to our team."
