

Robert Cottrill, Vice President
cottrill@predc.ca

Mr. Cottrill brings his extensive experience of business, his dedication to excellence and his understanding of the environment needed so businesses can establish themselves, grow and become viable contributors to the local economy. Robert is well known for his ability to negotiate with others, establish partnerships and find common ground on which to move important projects ahead.

Mr. Cottrill was born and raised in Kincardine. Robert has established, developed and operated two successful family businesses, Cottrill Fuels and Cottrill Paving. Currently, he is working with his son, Matt, managing Cottrill Heavy Equipment, an innovative heavy truck fabrication and repair business. Cottrill Heavy Equipment is known for its dedication to quality workmanship and encouragement of excellence among its staff.

As a community project activist, Robert was instrumental in the restoration of Walker House by volunteers and he currently sits on the Board of Directors. Mr. Cottrill has also been the chairperson of the Cruise Night committee since its inception. In 2012 Robert was nominated and selected as Citizen of the Year by the Kincardine and District Chamber of Commerce.
